EVENT COMMUNICATION

Tournament communication runs on [Signal](#). At least one player from each pair must have Signal installed — it is also how match results are recorded during the tournament (see *Recording Match Results* below).

- **Announcements** (read-only, official info): [Signal join link](#)
- **Players chat** (questions, banter, ride-sharing): [Signal join link](#)
- **Match results** (one message per recorded match, so very spammy, consider muting): [Signal join link](#)

For anything else, email info@ddc2026.eu.

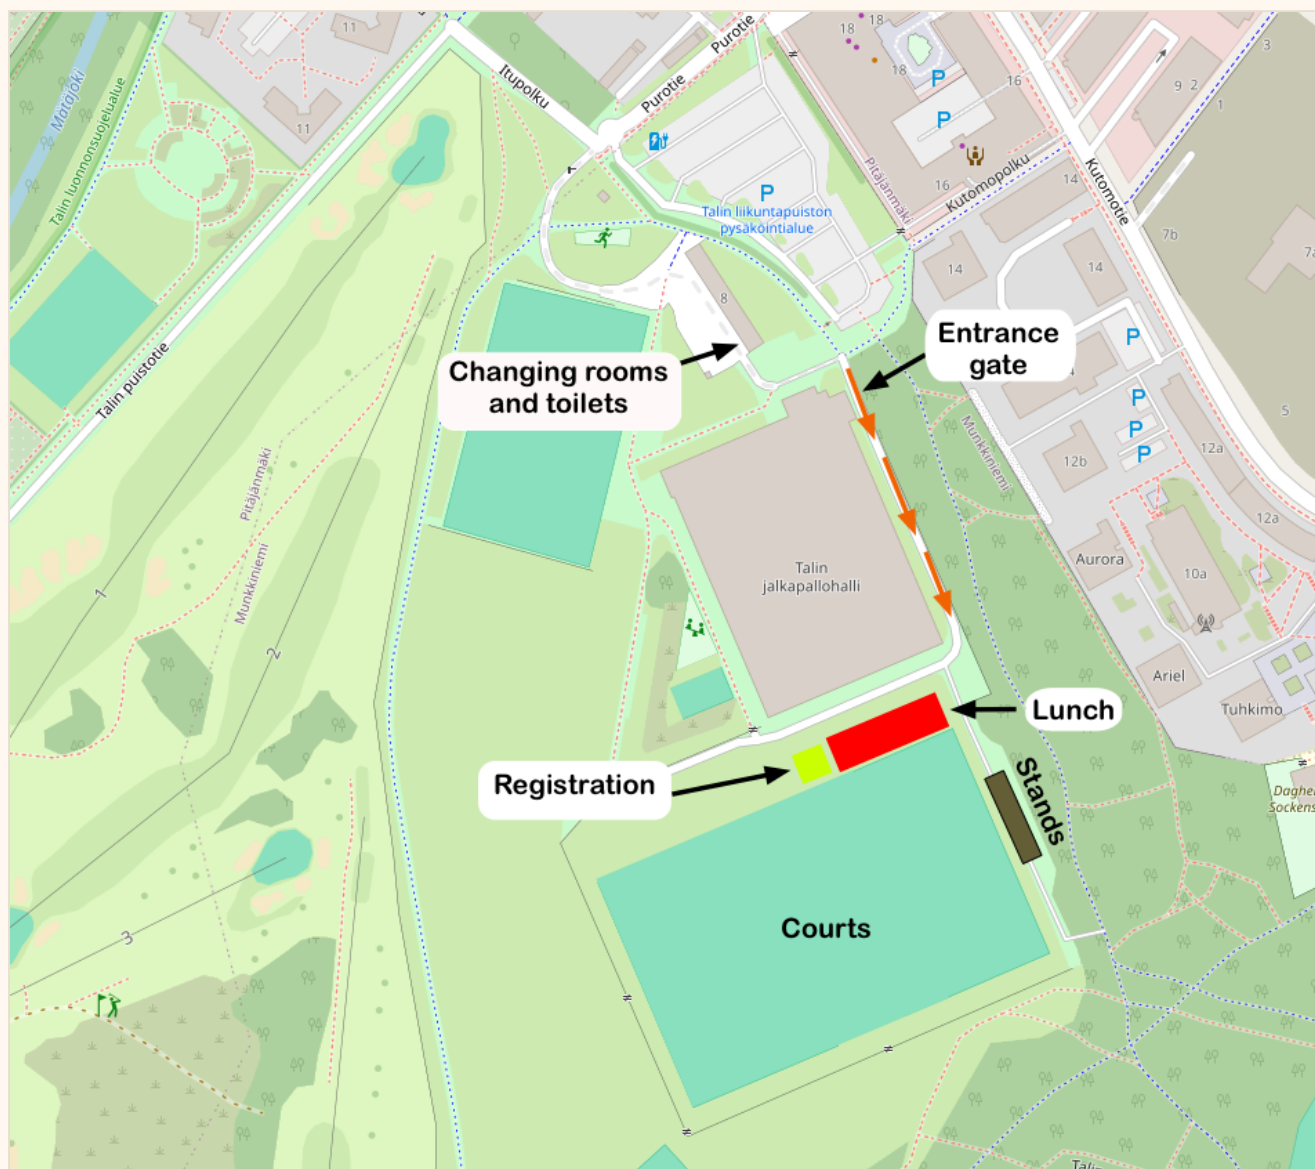

Event hashtag: **#ddceo2026**

VENUE

The tournament venue

The tournament courts are located in the Tali Sports Park. See the map above for entrance instructions. There is a **water point** next to the lunch tent, but the only **toilets are in the changing rooms**, a 200 meters walk from the courts.

The address is: Purotie 8, 00380 Helsinki, Finland

- [Google Maps](#)
- [OpenStreetMap](#)

If you arrive by car, there is a spacious parking lot right next to the venue. You need to install the ParkMan app to pay for the parking.

SCHEDULE

If you can come early on Saturday to help setting up the courts and tents, that would be much appreciated. We will leave the courts and tents overnight – the tournament green is surrounded by fences – so this is only necessary for Saturday.

Bear this in mind when planning your schedule, as we'd like to have the courts set up by 8.30am. Thank you very much!

PREPLAY FRIDAY

The preplay takes place on **Friday 24th July from 2pm to 6pm at Savela Frisbee Park** (note: not the tournament venue). We'll set up around four courts to warm up for the weekend.

The address is: Lucina Hagmanin polku 2, 00710 Helsinki

- Google Maps
- OpenStreetMap

Savela Frisbee Park map

Easiest way to get there is to ride a train to the Pukinmäki station, take the southern exit from the station, turn left after the ramp to the underpass, and then walk straight for 5 minutes. Tram 15 stops also nearby, there's a 15 minute walk through the suburb of Pihlajisto, and the forest park of Rapakivenpuisto.

TOURNAMENT

OVERALL PROCEDURE

The tournament structure is the same as in Berlin 2024. Phase 1: five pools of four players (snake seeding), round robin. Top 2 of each pool advance to the A Pool, bottom 2 to the B Pool. Phase 2: full round robin within each pool of 10. The resulting provisional order (A Pool 1–10, B Pool 11–20) is split into groups of 4 that play semis (1v4, 2v3) and placement matches. Every pair plays 14 matches.

RECORDING MATCH RESULTS

Live results are published in the [tournament software](#).

Sign up for an account here before the tournament: [sign-up link](#). The sign-up code is “ddc4eva”.

After every match, one player records the result with the tournament software. You can practice the use of the software on a [sandbox tournament](#).

Don't share your user account credentials. There is also a spectator account (username: spec / password: specspect) than can be shared to interested people (but not posted on public websites – the tournament software is not stress-tested yet).

RULES

STAGE	1ST & 2ND POOL PHASES, CONSOLATION	SEMI-FINAL	FINAL
	SEMIS, PLACEMENT MATCHES, THIRD-PLACE PLAYOFF		
Game Point Target	One game to 21 (cap 23)	Two out of three games to 15 points (cap 18)	Two out of three games to 21 points (cap 23)
Timeouts	One timeout of 2 min per game, one injury timeout of 3 min per game		

Please familiarise yourself with the official WFDF Rule Book ([English Version, 2016](#)).

TIE BREAKING

If there is a tie between teams in the tournament, the following steps are used to decide which team advances (according to WFDF Rule Book, 204.6):

1. Fewest forfeits
2. Record against the other tied teams

3. Point differential in games against the other tied teams
4. Record against teams that placed above the initial set of tied teams
5. Point differential in games against teams that placed above the initial set of tied teams
6. Point differential in games against all teams in the pool
7. Disc flip

The tournament software should resolve these automatically (except for the forfeits rule – if that comes into play, please notify the TDs – and the disc flip, obviously).

GAME OFFICIALS

A head judge will be appointed before the semi-finals begin. The head judge will be an experienced player who will not be competing in the semi-finals/final. Observers and scorekeepers will assist at the final, third-place play-off and semi-finals.

WEATHER PROCEDURE

In case of extreme heat we will decide on site if the point cap of 21 is to be reduced to 15. (This being Helsinki, that is unlikely though.)

STANDARDS OF CONDUCT

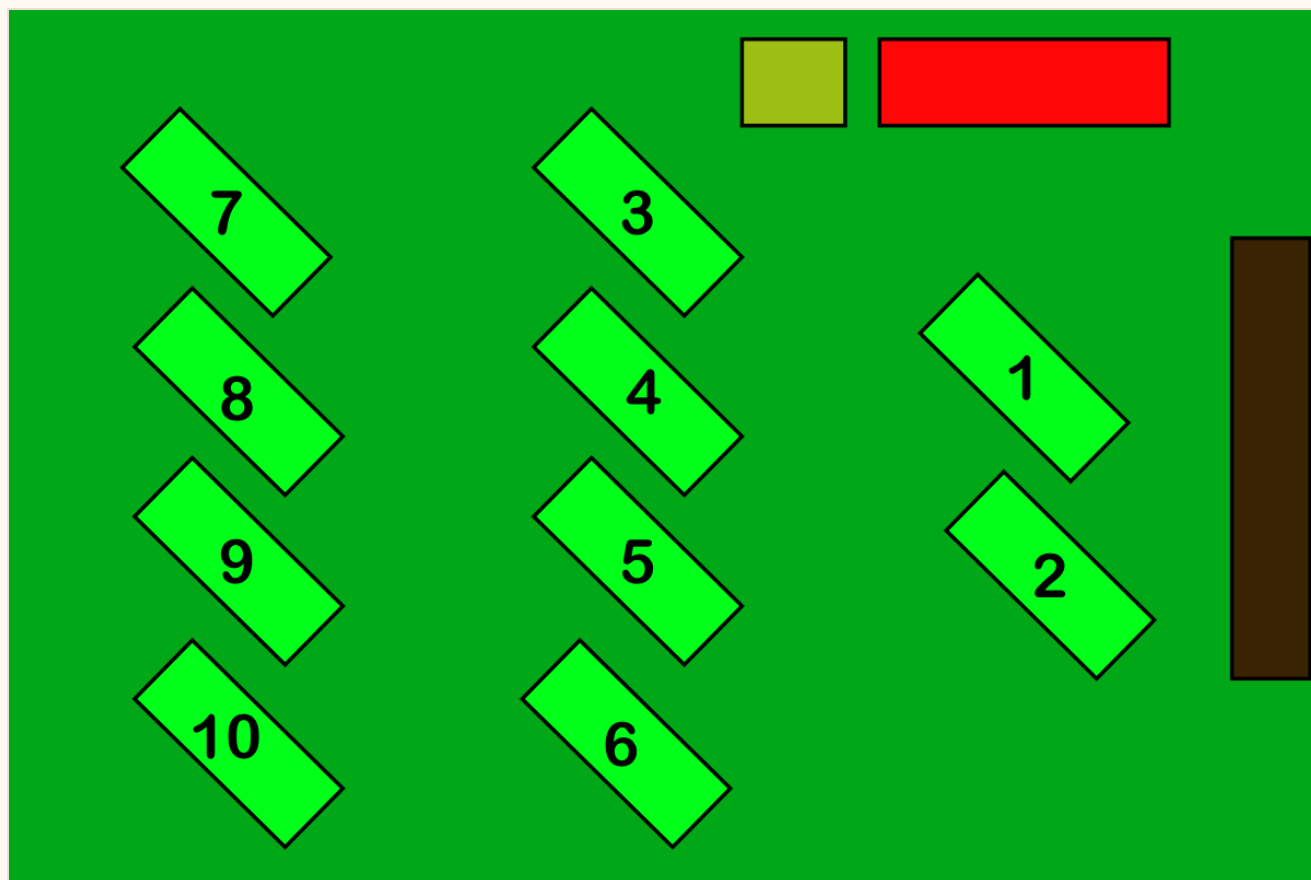

COMPETITIVE PLAY IS ENCOURAGED, BUT NEVER AT THE EXPENSE OF RESPECT BETWEEN PLAYERS, ADHERENCE TO THE RULES, AND THE BASIC JOY OF PLAY.

— Spirit of the Game

LIVE STREAM

Matches will be streamed by Jonas / Studio Allround: www.youtube.com/@studioallround/live

FOOD

FOOD SUPPLY DURING THE TOURNAMENT

Lunch is catered on the spot at the venue on both days for those who pre-ordered it. There's a super-market ("S-market") 5 minutes away from the venue. Please note that there's no coffee available, the S-market is the nearest place to get coffee.

SATURDAY EVENING DINNER AT THE TRAIN FACTORY

After a long hard day of challenging DDC we'll allow ourselves an energy refill at the [Train Factory Market Hall](#) (Konepaja, Aleksis Kiven katu 17, Helsinki).

We will meet at **19:00**. Everyone orders and pays for their own food — the market hall has a wide range of vendors, so there should be something for every taste and diet. No reservation needed, just show up!

DISCS

Do you want to purchase additional DDC European Open DDC discs? We have them for sale at the registration desk, 10 euros per disc. Payment methods: Cash or MobilePay app.

TERMS AND CONDITIONS

SITE RULES

Tali Sports Park is a public sports facility maintained by the City of Helsinki. Please observe the following:

- No smoking in or near the buildings.
- No glass on the sports fields.
- Take care of your valuables — the area is open to the public.

INSURANCE AND RESPONSIBILITY

Players are expected to arrange their own insurance. All event participants are recommended to obtain travel insurance prior to booking flights and health insurance before leaving their country.

The organisers do not provide coverage for participants outside of the general first aid administered at the fields. The organisers kindly request that all players and event participants understand that they cannot be held liable for any risks or costs associated with injury or bad health at the European Open.

The organisation accepts no responsibility in the event of theft of participants' sports equipment or personal belongings in the accommodation, during transport or in the sports facilities.

VIDEO AND PHOTO RECORDINGS

Photos and videos will be taken at the event. These will be used for public relations work (including social media) and will also serve as permanent documentation of the DDC European Open (offline and online, and can thus also be accessed outside Europe). This processing serves to safeguard our legitimate interest in public relations and documentation within the meaning of Art. 6 para. 1 f) GDPR. Your personal rights and the protection of your data are important to us. You have the right to object to the processing in justified cases. Furthermore, you have a right to free information about your stored data and, under certain circumstances, a right to rectification, erasure and restriction of processing of the data. If necessary, please contact the organisers.

If you do not wish to be photographed or do not agree to the publication of the photos taken, please inform one of our organisers or write a message to info@ddc2026.eu.

PUBLIC TRANSPORT

We recommend using public transport (HSL) to reach the venue. Here's a [pre-filled journey planner link](#) for checking travel times from wherever you're staying.

Some practical notes:

- Buy tickets in the **HSL app** or from ticket machines — you cannot buy tickets on board.
- The venue and central Helsinki are both in **zone AB**. Helsinki Airport is in zone C, so buy an **ABC ticket** when arriving from or heading to the airport.
- Single tickets are valid for 80–90 minutes depending on zones; day tickets are worth considering for the weekend.

IN CASE OF EMERGENCY

THERE IS IMMEDIATE DANGER:

1. **Call** the general emergency number: **112** (fire, rescue, ambulance and police in Finland)
2. Get the first aid kit and alert the tournament organisers.

YOU NEED HELP, BUT IT'S NOT IMMINENTLY LIFE-THREATENING:

A **first aid kit** and materials for treating minor sports injuries yourself are available at the tournament registration tent (see map). In case of medical problems, please contact one of the organisers on site.

Medical Helpline (Päivystysapu): Call **116 117** before going to an emergency room — the service assesses your situation and directs you to the right care. Available around the clock.
